

SUPREME LINE FENCING'S MISSION

Supreme Line Fencing was established in 1994.
In that time we have grown with our clients and maintained excellent customer service.
Our vision is to be recognised as an industry leader for fencing excellence and customer satisfaction.

We believe that staff with focus on customer service and attention to detail is crucial to any job's success. This personal approach to customer service enables us to provide the best possible standard of workmanship, with prompt turnaround.

All of our employees are fully qualified in their respective fields and Supreme Line Fencing's ongoing skill-development programs ensure that staff remain at the forefront of the fencing industry.
